## Notification of Price Revision

Dear Sirs

I wish to express my gratitude to you for your continued prosperity.  
Thank you for your continued patronage and generous appreciation.

It was decided to price revise the price of Pureron Japan Co., Ltd. "Digital Flow Switch"  
with the following contents.

For some time, we have reduced manufacturing costs as much as possible, such as  
streamlining the manufacturing process, and have kept up the increase in selling  
prices, but with the increase of raw materials and the increase of processing costs, It  
was difficult to maintain.

We will continue to strive to deliver stable product supply and higher quality  
products and services, so we kindly thank you for your kind understanding and  
consent.

Best regards

Record
